For other Goods not shown here, we will be most happy to send Prices when desired.

INFORMATION FOR COUNTRY CUSTOMERS.

ORDERS RECEIVED BY POST from Country Customers are executed by a large staff of assistants, whose entire time is devoted to this branch. Those unable to come to town will have their wants supplied with as much care as if they selected the goods themselves.

Our Terms of Business are Prompt NETT CASH, and we cannot execute any order unless accompanied by a remittance to cover the cost of goods ordered, and carriage or postage when either is to be prepaid.

When goods are ordered, prices of which are not shown in our Catalogues or in our Advertisements, an allowance can be made in the remittance to cover their cost. Any balance left over will be refunded with the bills.

WHEN ORDERING give Full Name (not initials only), Postal Address and state if Parcel is to be addressed Mr., Mrs., or Miss. When living at a distance from Railway Station or Port, give full instructions for forwarding. Mention Amount of Remittance enclosed. Do not forget to state Size, Color, or Measurements of any Goods required.

REMITTANCES can be made by MONEY ORDERS, CHEQUES, BANK DRAFTS, or POSTAL NOTES. Money Orders must be made payable to FOY & GIBSON Proprietary Limited. For amounts not exceeding 2s. 6d., STAMPS in sheets may be sent. Loose Stamps, or Stamps over 6d. each, are of no use to us, and will be returned. We strongly advise Country Customers for their own security to Register Letters containing Money or other valuables, as it is almost impossible for a registered letter to go astray in transit, and the cost is only 3d.

CARRIAGE.—We Do Not Pay Carriage or Postage on Parcels.

If it is desired that carriage should be prepaid by us, sufficient money must be sent to us to cover cost.

PACKING.—All Goods for the Country are packed carefully, free of charge, in our regular way, to meet the requirements of Rail or Road travel, and are delivered in good condition to the Railway Sheds, Spencer-street, or at the Wharves. Special packing, or packing for export will be an extra charge.

PARCEL POST.—By PARCEL POST we can send many small parcels cheaper than by Rail, and remittance sent should include Postage. Customers omitting to include postage will incur extra expense, as in such case we have no choice but to send by rail.

OUR RESPONSIBILITY FOR DAMAGES of any kind, pilfering, &c., ceases when we deliver Goods at the Railway Sheds or at the Wharves.

WHEN RECEIVING GOODS Customers should satisfy themselves that they are in good order and the packages intact before signing the railway receipt book at their end. In cases where damage, etc., is suspected, we recommend customers to open packages in the presence of the Station Master.

WHEN GOODS ARE RETURNED the Name and Address of the Sender should be written on the outside of the parcel. The Goods should be addressed “FOY & GIBSON Proprietary Limited, Melbourne.” If addressed Collingwood, they may be delayed at one of the stations on the Collingwood line. Our Delivery Vans are at the Melbourne Terminus every day.

REFRESHMENTS.—We have a large and well-appointed room where Refreshments can be obtained at moderate prices. Country Customers arriving by early trains can have breakfast before beginning their purchases. Breakfast is served from 9 to 11; Lunch from 12 to 2:30; Tea and Light Refreshments, from 9:30 till 5:30.

This Catalogue is sent on the condition that it is Preserved for Reference in Ordering Goods from our Warehouses, and NOT CUT OR DESTROYED. The Name and Number of the Article are sufficient.

PRICES in this Catalogue are those Current on the Date of Printing, and are subject to alteration.

PATTERNS—

We send Samples everywhere, post free on application. Customers writing for Patterns are respectfully requested to state as near as possible the class and character of the goods they require, and thus enable us to send the most suitable selection of patterns. Unless we have some indication as to our customers' requirements, we are liable to send unsuitable patterns, and Waste of Patterns and Delay are thus occasioned.

Our Dress and other Stocks sell very rapidly. Customers, when ordering, should make a first and second choice as indicated on Pattern Ticket.

LADIES’ AND CHILDREN’S HOISERY.

The Watchword for the future is to be “MADE IN AUSTRALIA.” Foy & Gibson Proprietary Limited are the Pioneers in the manufacture of Fine Hosiery. At great expense they have established a completely equipped Hosiery Mill, where the finest wool yarns are manufactured into high-class goods for the requirements of the Australian trade. The lines made include various classes of Plain and Ribbed Fast-black Cashmere Hose and Children’s Socks, also the heavier Ribbed and Plain Knitted Goods and Natural Wool Hose.

The following Price-list also includes some of the best lines of imported Hose in makes which, so far, are not manufactured in Victoria.

Whether you prefer Australian or imported articles, Foy & Gibson Proprietary Limited can give you absolutely the best value for money to be had in the Commonwealth. A trial will convince you that for your Winter Hosiery, you cannot afford to place your orders elsewhere.

Gentlemen's Tailoring.

In Gentlemen's Tailoring we are right in the front rank. We have an immense turnover, therefore our materials are fresh and up-to-date. Our aim is to give thoroughly reliable goods at the lowest possible cost, but we do not stock cheap rubbish. Our Suits will always wear well, fit nicely, and look good.

We keep first-class cutters only. We make everything in our own rooms by efficient workers. We only use good trimmings. We turn out our orders promptly. We send self-measurement forms with all samples sent out, so that customers at a distance can measure themselves and secure a good fit. Measurements once received are always kept.

The Firm would be glad if Customers visiting Melbourne would call and have their measurements taken by one of their Cutters and entered in the Reference Measure Book. Patterns will be forwarded at any time for their selection.
