CATALOGUE No. 42. New Series.
SHOWING SOME OF THE GOODS WE SELL.

PRICES in this Catalogue are those Current on the Date of Printing, and are subject to alteration.

For Goods not shown, we will be pleased to give prices required.

INFORMATION FOR COUNTRY CUSTOMERS.

This Catalogue is issued so as to assist Country Customers in making a Selection of the Newest and Best Goods, and giving them the same advantages as the residents of Melbourne.

All Country Orders are specially and promptly attended to. A large staff of expert assistants devote their Whole Time to the selecting of Goods for these Orders. Experts are also employed to see that they are carefully packed and sent away.

OUR TERMS OF BUSINESS are prompt NET CASH, and we cannot execute any order unless accompanied by a remittance to cover the cost of goods ordered, and carriage or postage when either is to be prepaid.

Remittances can be made by MONEY ORDERS, CHEQUES, BANK DRAFTS or POSTAL NOTES. ALL POSTAL NOTES and MONEY ORDERS must be made payable to FOY & GIBSON Proprietary Ltd., COLLINGWOOD P.O. For amounts not exceeding 2s. 6d., STAMPS in sheets may be sent. Loose stamps, or stamps over 6d. each, are of no use to us and will be returned.

We strongly advise Country Customers for their own security to Register Letters containing Money or other valuables, as it is almost impossible for a registered letter to go astray in transit, and the cost is only 3d.

When goods are ordered, prices of which are not shown in our Catalogues or in our Advertisements, an allowance can be made in the remittance to cover their cost. Any balance left over will be refunded with the bills, if desired, or placed in credit.

When Ordering give FULL NAME (NOT INITIALS ONLY), Postal Address, and state if Parcel is to be addressed Mr., Mrs., or Miss. When living a distance from Railway Station or Port, give full instructions for forwarding. Mention Amount of Remittance enclosed. Do not forget to state Size, Color, or Measurements of any Goods required.

Carriage.—WE DO NOT PAY CARRIAGE, but will prepay when desired, and add to the Bill. POSTAGE MUST be PREPAID. Comparison of our values will at once convince all that it is false economy to pay HIGH PRICES which include SMALL RATES for carriage. OUR PRICES ARE ALL NETT.

Returns.—Any Goods not deemed satisfactory (excepting Garments specially made and materials cut off the piece) will be exchanged if returned, CARRIAGE PAID, within Seven Days.

When Goods are Returned the Name and Address of the Sender should be written on the outside of the parcel. The Goods should be addressed "FOY & GIBSON Proprietary Limited, Melbourne." If addressed Collingwood they may be delayed at one of the stations on the Collingwood line. Our Delivery Vans are at the Melbourne terminus every day.

Packing.—All Goods for the Country are packed carefully, free of charge, in our regular way, to meet the requirements of Rail or Road travel, and are delivered in good condition to the Railway Sheds, or at the Wharves. Special packing, or packing for export will be an extra charge.

Parcel Post.—By PARCEL POST we can send many small parcels cheaper than by Rail, and remittance sent should include Postage. Customers omitting to include postage will incur extra expense, as in such case we have no choice but to send by rail.

Our Responsibility for Damages of any kind, pilfering, &c., ceases when we deliver Goods at the Railway Sheds or at the Wharves.

When Receiving Goods Customers should satisfy themselves that they are in good order and the packages intact before signing the railway receipt-book at their end. In cases where damage, etc., is suspected, we recommend customers to open packages in the presence of the Station Master.

Pure Natural Wool Underclothing.

In no garments worn by ladies is good fit so important as in Combinations; badly cut they are uncomfortable and spoil the fit of every garment worn over them; well cut they are easy and comfortable and the most satisfactory of all underwear.

Selling direct to the wearer we have learned just what is wanted in Natural Wool Garments, and special care has been taken to make them right in every detail, even down to the trimmings and buttons, and fit, shape and style are perfect.

The Softness and Elasticity make garments manufactured from it the Ideal Underwear for our variable climate, with the additional advantage that they never lose their shape or comfortable fit until completely worn out. Ideal underwear must be porous and absorbent. Our Natural Wool Underwear is noted for the high pitch of perfection to which these points have been brought, thus giving free passage to all exhalations from the skin, a point most essential to the maintenance of good health. Another point is the tendency of woollen goods to shrink. This we have been at special pains to guard against, as every yard of our Natural Wool Web is thoroughly shrunk as soon as it leaves the weaving machine. Garments washed according to the following instructions are practically non-shrinking.

**DIRECTIONS FOR WASHING.**

Into two gallons of warm (not hot) soap water add one spoonful of cloudy ammonia. This will remove all grease and perspiration without rubbing. After lightly wringing, pass through two separate quantities of luke-warm water. Dry in the open air.

**NOTE.**—1. Don't use Hot Water. 2. Don't Rub or they will shrink.

Our Natural Wool Underwear is made in four weights, suited in every respect to the varying seasons of the year.

Manner of putting on Gloves.

Do not put them on in a hurry.

Turn the wrist well back before inserting the hand, then gently work the fingers on and afterwards the thumb also.

Never force the fingers into place by pressing between them with the fingers of the other hand.

Never try to wear a glove which is too small for you.

Carefully follow these instructions and your gloves will seldom split.

Boys' Ready-Made Clothing.

In this Department we are indeed "The Mother's Friend," as we supply clothing that not only wears well, but looks well and shapely to the end. This is achieved by the Special Care we take in selecting suitable Tweeds and Trimmings, and also by the Strict Supervision we give to the making up of all garments. The designs shown on this and on the next page are the styles most worn at the present, but we can make to order any shape required.

Sanitary Cedar Paper Felt.

Should be placed under all Carpets, Mattings, etc.
It is made in England of the purest materials, and is really the Only Felt impervious to moth, silverfish and other insects.
It is composed in parts of cedar wood, and from this it derives its anti-insect properties. It permanently retains the cedar aroma, which is fatal to insect life. No fear of moth where cedar felt is used.
Its soft thick substance makes the floor covering feel much thicker and soft to the tread, it cushions and protects them from the hard uneven flooring, and makes them last twice as long.

Bedding—Kapok, Cotwool, Hair and Fibre.

All Bedding manufactured in our own factories. Best Quality, Highest Finish. Good health can be maintained and poor health improved by using pure materials for bedding. We supply the best. Our value cannot be excelled.

We have discontinued using Flock, "Cotwool," the new filling being substituted. We are supplying Cotwool Bedding in two grades. The No. 1 grade will be up to the usually high standard. The No. 2 grade will be perfectly new and clean, but will not contain such a high percentage of wool as No. 1.

“Caledonia” Dover Stove

With Drop Down Front Bars as shown, and Iron Fire Chamber Linings for Wood Fuel.

For economy of fuel, time and labour in the kitchen, genuine utility and strong, yet handsome appearance, the “Caledonia Dover” is undoubtedly the “Best in the Market.”
Cast-Iron Copper Frames

Are a Special Boon to Dairymen and Farmers by reason of their Portability and General Usefulness.

Directions:
To ensure the best results from these Frames, it is advisable to keep the inside elbow free from soot, and always clean the ashes out of the bottom after using, in order not to check the draft.

When too much draught, regulate with damper at side of elbow.
