COUNTRY DELIVERY.

FURNISHING ORDERS may be delivered by our own Motor Vans (provided the roads are good), from our Warehouses to the doors of customers’ houses direct. The charge for delivery is nominal.

PURCHASE CARDS.

For the convenience of Customers personally patronising our Warehouses, we have designed special Purchase Cards.

These Cards enable Customers buying in more sections than one, to save time and trouble entailed in paying at each department, BY MAKING ONE PAYMENT FOR ALL GOODS AT THE CARD OFFICE. Delivery in one lot is thus ensured.

Ask for a Purchase Card—they are obtainable at the Card Office, near the entrance to each Warehouse.

IMPORTANT NOTICE.

We regret to announce that the continuance of war conditions in Europe compels us to again intimate the possible necessary alteration of some prices during the currency of this Catalogue.

The state of the market for Groceries and Provisions has been rendered so unsteady that prices of such commodities have been omitted from our lists altogether.

Our stocks of every class of goods will be maintained with all possible diligence, and customers may rely upon obtaining their requirements at the very lowest prices current at the time.

SMITH STREET, COLLINGWOOD.
THIS CATALOGUE is issued to assist Customers residing beyond the Metropolitan Radius in selecting the Newest Goods, thereby extending to them all the advantages of a personal visit to our Store.

A Large Staff of Expert Assistants devote the whole of their time to the selection of Goods Ordered by Post, and competent packers are employed in the despatch section. Promptitude and Efficiency are insisted upon by the Mail Order Manager.

OUR TERMS OF BUSINESS are prompt NET CASH; a remittance covering cost of goods should therefore accompany the order to avoid delay.

WHEN ORDERING give full name (not initials only), Postal Address, and state whether Mr., Mrs. or Miss. When residing at a distance from the station or port, give instructions for forwarding. Always mention amount of remittance sent, and do not overlook to state clearly the Size, Colour or other particulars of all Goods required. In cases where the Articles needed are not shown or priced in our Catalogues or Advertisements, an allowance to cover their cost may be made in the remittance. Any balance left over will be returned with the bills, or placed on credit, as desired.

REMITTANCES may be made by MONEY ORDERS, CHEQUES, BANK DRAFTS or POSTAL NOTES. ALL POSTAL NOTES and MONEY ORDERS should be made payable to FOY & GIBSON Proprietary Ltd., COLLINGWOOD P.O. For amounts not exceeding 2/6 STAMPS in sheets may be sent. Loose stamps, or stamps over 6d. each, we cannot accept. Letters containing money or other valuables should always be registered, as it is the only means by which security against loss can be achieved. The cost of registration is only 3d.

CARRIAGE CHARGES—We do not pay carriage. Comparison of our Values will at once convince all that it is false economy to pay higher prices which include carriage rates. OUR PRICES ARE ALL NET. Postage should therefore be included with the order, or carriage when it is to be prepaid.

Goods Marked "Fragile" or "Glass" are Charged Extra.

In instances where packages weigh more than fourteen pounds, it becomes cheaper to send by Goods Trains. By this means we are frequently able to save our customers needless expense. Very small parcels often go cheaper by post. Customers omitting to include postage leave us no alternative but to send by rail.

PACKING.—All Goods for despatch are packed carefully in our regular way, to meet the requirements of travel, and are delivered in good order. A Return to the Railway Sheds, or the Wharves, AT WHICH POINT OUR RESPONSIBILITY OF EVERY KIND CEASES. Special Packing, or packing for export will be an extra charge.

WHEN RECEIVING GOODS Customers would do well to satisfy themselves that they are in good order before signing the railway receipt book. In instances where damage, etc., is suspected, the packages should be examined in the presence of the Railway officials.

RETURNS.—We are quite willing to exchange any goods not deemed satisfactory, if returned to us Carriage Paid within Seven Days. Millinery, Garments made specially, and Materials cut from the piece are exceptions to this undertaking.

WHEN RETURNING GOODS always write the Name and Address of the sender on the outside of the Parcel. Address: "FOY & GIBSON PROPRIETARY LIMITED, MELBOURNE." When addressed to Collingwood, they are frequently delayed. Our Motor Cars are at the Melbourne Terminal every day.

## GIBSONIA BRAND PURE NATURAL WOOL UNDERWEAR.

We manufacture these Goods of the purest and best Wool obtainable. The garments are beautifully made, and if washed according to the instructions we supply, are practically non-shrinking. We recommend to those in search of perfect underwear, suited in every respect to the Australian climate, our Quality B2, which is equal in all points to any imported natural wool at twice the price.

### Directions for Washing

Foy & Gibson's Pure Natural Wool Underwear.

Into Two Gallons of Warm (not hot) Soap Water put one Tablespoonful of Cloudy Ammonia. This will remove all Grease and Perspiration without rubbing. After lightly wringing, pass through two separate quantities of lukewarm water. Dry at once in the open air. When nearly dry stretch out to full size and iron as usual.

NOTE: 1. Don't use Hot Water.
2. Don't Rub. Rubbing causes felting.
3. Don't allow garments to lie out wet.

Our NATURAL WOOL UNDERWEAR is made entirely in our OXFORD STREET HOSIERY MILLS, of absolutely Pure Wool of the highest quality. The garments are durable, elastic, and very comfortable. WE USE NO CHEMICAL PROCESSES which rob the Wool of its virtues, but before our cloth is cut we shrink it thoroughly, and if goods are carefully washed, and above instructions carried out, our Underwear will be found full-sized when entirely worn out.

Foy & Gibson's Proprietary Limited, Smith Street, Collingwood.
PLEASE NOTE.

Owing to the great demands made upon our Factories by the National Defence Department, we are unable to quote Prices for Blankets.

Our Mills are working at high pressure continuously, turning out large quantities of these very necessary goods for the use of our Naval and Military Forces. And while these very stenuous circumstances last, we feel sure our Customers will bear with us in the restricted supply we have for public sale.

If Customers will favour us with particulars of their requirements in Blankets or Flannels, we will be glad to send Samples or Patterns and Prices of any goods we have in stock at the time.

Our Own Manufacture Throughout.

From the Raw Material to the Finished Article Absolutely.

One consignment of Blankets (Foy & Gibson's Own Manufacture), loaded on six motor lorries, delivered to the Commonwealth Navy. Other large consignments have been delivered to the Ordnance Stores for the Victorian Contingent.
