COUNTRY DELIVERY.

FURNISHING ORDERS may be delivered by our own Motor Vans (provided the roads are good), from our Warehouses to the doors of customers' houses direct. The charge for delivery is nominal.

PURCHASE CARDS.

For the convenience of Customers personally patronising our Warehouses, we have designed special Purchase Cards.

These Cards enable Customers buying in more sections than one, to save time and trouble entailed in paying at each department, BY MAKING ONE PAYMENT FOR ALL GOODS AT THE CARD OFFICE. Delivery in one lot is thus ensured.

Ask for a Purchase Card—they are obtainable at the Card Office, near the entrance to each Warehouse.

IMPORTANT NOTICE.

We regret to announce that unsettled Markets and scarcity of supplies compels us to again intimate the possible necessary alteration of some prices during the currency of this Catalogue.

The state of the market for Groceries and Provisions has been rendered so unsteady that prices of such commodities have been omitted from our lists altogether.

Our stocks of every class of goods will be maintained with all possible diligence, and customers may rely upon obtaining their requirements at the very lowest prices current at the time.

GENERAL INFORMATION FOR OUR CUSTOMERS.

This catalogue is issued to assist customers residing beyond the Metropolitan Radius in selecting the Newest Goods, thereby extending to them all the advantages of a personal visit to our Store.

A large staff of expert assistants devote the whole of their time to the selection of goods ordered by post, and competent packers are employed in the despatch section. Promptitude and efficiency are insisted upon by the mail order manager.

**SPECIAL NOTICE.**

Owing to the unsettled state of the markets and the scarcity of supplies, customers are reminded that the prices quoted herein are subject to alteration without further notice.

**OUR TERMS OF BUSINESS** are prompt net cash; a remittance covering cost of goods should therefore accompany the order to avoid delay.

**WHEN ORDERING** give full name (not initials only), postal address, and state whether Mr., Mrs. or miss. When residing at a distance from the station or port, give instructions for forwarding. Always mention amount of remittance sent, and do not overlook to state clearly the size, colour or other particulars of all goods required. In cases where the articles needed are not shown or priced in our catalogues or advertisements, an allowance to cover their cost may be made in the remittance. Any balance left over will be returned with the bills, or placed on credit, as desired.

**REMITTANCES** may be made by money orders, cheques, bank drafts or postal notes. All postal notes and money orders should be made payable to Foy & Gibson Proprietary Ltd., Collingwood P.O. For amounts not exceeding 2/6, stamps in sheets may be sent. Loose stamps, or stamps over 6d. each, we do not accept. Letters containing money or other valuables should always be registered, as it is the only means by which security against loss can be achieved. The cost of registration is only 3d.

**CARRIAGE CHARGES**—we do not pay carriage. Comparison of our values will at once convince all that it is false economy to pay higher prices which include carriage rates. Our prices are all net. Postage should therefore be included with the order, or carriage when it is to be prepaid. In instances where packages weigh more than fourteen pounds, it becomes cheaper to send by goods trains. By this means we are frequently able to save our customers needless expense. Very small parcels often go cheaper by post. Customers omitting to include postage leave us no alternative but to send by rail.

**PACKING.**—All goods for despatch are packed carefully in our regular way, to meet the requirements of travel, and are delivered in good condition to the railway sheds, or the wharves, at which point our responsibility of every kind ceases. Special packing, or packing for export will be an extra charge.

**WHEN RECEIVING GOODS** customers would do well to satisfy themselves that they are in good order before signing the railway receipt book. In instances where damage, etc., is suspected, the packages should be examined in the presence of the railway officials.

**RETURNS.**—We are willing to exchange any goods not deemed satisfactory, if returned within seven days. Millinery, garments made specially, and materials cut from the piece are exceptions to this undertaking.

**WHEN RETURNING GOODS** always write the name and address of the sender on the outside of the parcel.

POSTAL RATES.—We are frequently able to save our customers needless expense. In instances where packages weigh more than fourteen pounds, it becomes cheaper to send by goods trains. By this means we are able to save our customers unnecessary expense. Very small parcels often go cheaper by post. Customers omitting to include postage leave us no alternative but to send by rail.

The measure should be taken over the Dress. In taking measurements do not make any allowance for seams. Use an accurate tape measure and be sure it is not disfigured or torn.

The following particulars, accurately taken, are necessary to ensure a Faultless Fit and absolute Satisfaction:

1. Measurement from Collar Seam to Skirt in front
2. Waist across Back from one Sleeve Seam to other
3. Inside Measurement of Length of Arm and round Wrist
4. Measurement across Chest from one Armhole to other
5. From Neck to Waist
6. From under-arm Seam to Waist
7. Measurement round Armhole
8. Length of coat required
9. Measurement round arm
10. Shoulder Seam close under Armpits to point of Bust
11. Bust Measurement from Neck to Shoulder
12. Neck Measurement
13. Waist Measurement
14. Hip Measurement, 9in. below Waist line
15. Front Skirt Length
16. Side Skirt Length
17. Back Skirt Length

NOTE.

Tie a Cord round your Waist to locate the natural Waist Line.
Do not remove it until your measurements are completed.

The Correct method of taking Measurements for—
Children's and Young Ladies' Clothing.

**DIRECTIONS FOR WASHING**

Foy & Gibson’s Natural Wool Underwear.

Into two Gallons of Warm (not hot) Soap Water put one Tablespoonful of Cloudy Ammonia. This will remove all Grease and Perspiration without rubbing. After lightly wringing, pass through two separate quantities of Lukewarm Water. Dry at once in the open air. When nearly dry stretch out to full size and iron.

**Notes**
1. Don’t use Hot Water.
2. Don’t Rub, Rubbing causes Felting.
3. Don’t allow Garments to lie about wet.

Our NATURAL WOOL UNDERWEAR is made entirely in our OXFORD STREET HOSIERY MILLS, of absolute Pure Wool of the highest quality. The Garments are Durable, Elastic, and very Comfortable. WE USE NO CHEMICAL PROCESSES which rob the Wool of its virtues, but before our cloth is cut we shrink it thoroughly, and if goods are carefully washed, and above instructions carried out, our Underwear will be found full-sized when entirely worn out.

"GIBSONIA" BLANKETS.

"GIBSONIA" BLANKETS are made entirely in the "Gibsonia" Mills, founded by Mr. William Gibson, one of the pioneers in this great industry. Every process that goes to the making of Blankets is done in our own mills. We begin with the wool as it comes from the sheep's back, buying the finest and most suitable Wools grown in Australia, and the sorting, scouring, carding, spinning and finishing are done entirely in our mills by a great staff of expert workers, under the close and continued supervision of expert foremen and forewomen, managers and superintendents, and as a result of their united labors, the "Gibsonia" Blankets are the finest made in any part of the world. This is a big claim, but it is justified. Owing to the uncertainty of wages and hours of labor, it is not possible for us to give catalogue prices for Blankets, but we will be pleased to give full particulars and prices when desired. When writing, please say which grades and sizes you want, so as to enable us to send prices.

"GIBSONIA" ALL WOOL BLANKETS.

GIBSONIA BLANKETS, white, all wool.—Single Bed Size, Double Bed Size, Extra Large Size,

GIBSONIA BLANKETS, white, super wool.—Single Bed Size, Three-quarter Bed Size, Double Bed Size, Extra Large Size,

GIBSONIA ALL WOOL LIGHT GREY BLANKETS.

These blankets are made in double bed size only, and are manufactured from the finest Victorian wools. These blankets should commend themselves on account of their warmth and good washing qualities.

"GIBSONIA" UNION BLANKETS.

GIBSONIA BLANKETS, white, wool and cotton mixture; No. 1.—Single Bed Size, Three-quarter Bed Size, Double Bed Size, Extra Large Size,

GIBSONIA BLANKETS, white, wool and cotton mixture; No. 2.—Single Bed Size, Three-quarter Bed Size, Double Bed Size, Extra Large Size,

No. 2 Blanket is a line that we can recommend. It is superior to No. 1, as it contains a larger percentage of wool, thereby adding to its warmth.

GIBSONIA BLANKETS, in light and dark grey, wool and cotton.—Single Bed Size, Three-quarter Bed Size, Double Bed Size,
“GIBSONIA” ALL WOOL FLANNELS.

Manufactured entirely in our “Gibsonia” Mills in Collingwood.

The “GIBSONIA” FLANNELS are made under the same careful supervision and by the same expert workers as the Blankets, and in their case also all the processes are done in our own Mills. Our Flannels are all wool; we sell none with any mixture of cotton. In past years, some people used to prefer Flannels with a mixture of Cotton, as they thought they were smoother to the skin, but “Gibsonia” All-Wool Flannels are very smooth and beautifully finished, and they are suitable for the most delicate skin, and they are splendid wearing. We have 12 different grades of Flannel, as listed below—providing for every possible want, and patterns and prices will be sent when desired. It will be of assistance to us if you will mention the kind of Flannel you desire when ordering.

CARPET DEPARTMENT

CARPET SQUARES.
The convenience with which Carpet Squares can be laid in a room.

They require no fitting, and being easy for removal when required to be beaten or cleaned has greatly led to their popularity as a floor covering. We carry a large stock specially imported from the best manufacturers.

The Rugs of Merit.

THE WEAVE.
The "DIXIE" represents the ideal in Grass Rugs. Only well seasoned, selected grass, of long and tough fibre, is used, and this is twisted into a grass yarn of extraordinary durability.

THE FINISH.
Although sturdy and strong, the "DIXIE" Rug has a smooth finish, which is one of its most desirable characteristics. The surface has a fine even appearance not found in rugs of this character.

DEPTH OF COLORINGS.
The colors are of such a nature that they permeate deeply into the grass yarn when applied, a fact that adds greatly to the life of the pattern and colorings.

NO BINDER THREADS NEEDED.
No diagonal binder threads are needed to hold it together, as in the case of ordinary rugs made of twisted grass.

Rugs are banded on all sides but not fringed.
All sizes are seamless.

GENERAL APPEARANCE.
In appearance the "DIXIE" Rug leaves absolutely nothing to be desired. Of all the grass rugs on the market there is none that excels the "DIXIE" in the beauty of pattern, the clean centres, the smoothness of finish, attractiveness of the colors, and the excellence of the grass used.

COMPARISON INVITED.
Compare them side by side with any other rug of the same kind, and observe how the "DIXIE" outstrips them all.

Send us a trial order and be convinced.

**Household Ball-Bearing Clothes Mangle.**

Latest improvement in Clothes Ironing. Has Anti-Friction Ball Bearings same as used in bicycles. If you have not seen one, ask for it. Rollers 24 x ½ inches. Articles can be mangled in a considerably shorter time than it takes to finish them with flat iron; and as no heat is required a mangle will soon pay its cost in the saving of labor and fuel. Price 57/6

**CAST IRON COPPER FRAMES.**

Are a special boon to Dairymen and Farmers by reason of their portability and general usefulness. It is the most economical to buy, as it costs less than a brick furnace, and wears longer. It is the most economical to use, being constructed on scientific and up-to-date principles. None of the heat is wasted, consequently this furnace uses less bringing and boil's water in less time than any other frame made. It is constructed to burn either wood or coal, and by use of the patent drop door in front, firewood up to 2 ft. long may be used. It is made of extra heavy cast iron. No. 13019. Price—Frame only.

No. 13305—Complete with 1 doz. 8in. Blades, 7/.
This stove is the result of the experience of expert and practical Foundrymen and Stove Makers and is intended entirely to meet a long felt want for a high class Stove of the best cooking quality. A Stove that will last, one that has a good strong Fire Box and Oven, one that has a very simple device for altering the fire to burn wood and coal, one that won't get out of order after it has been in use for a little time, one that is actually economical in the use of Fuel, and a perfect Cooker.

Owing to the increasing difficulty of obtaining raw materials for the manufacture of Stoves and Colonial Ovens, we cannot quote prices for any definite period. We will be pleased to forward prices for same on application.

ADJUSTABLE STEEL FRAME & GAUZE SCREEN.

This Screen has an all metal frame made of pressed steel. The wire cloth is drawn lightly and locked securely in the frame. This metal frame operates easily in all kinds of weather. It will not stick, warp nor bind; moves freely, and is easy to handle. The best black Japan is used, which renders the screen impervious to moisture. The screen can be used as a permanent outside screen, can also be used under each in usual way.
