COUNTRY DELIVERY.

FURNISHING ORDERS may be delivered by our own Motor Vans (provided the roads are good), from our Warehouses to the doors of customers' houses direct.

PURCHASE CARDS.

For the convenience of Customers personally patronising our Warehouses, we have designed special Purchase Cards.

These Cards enable Customers buying in more sections than one, to save time and trouble entailed in paying at each department, BY MAKING ONE PAYMENT FOR ALL GOODS AT THE CARD OFFICE. Delivery in one lot is thus ensured.

Ask for a Purchase Card—they are obtainable at the Card Office, near the entrance to each Warehouse.

IMPORTANT NOTICE.

We regret to announce that unsettled Markets and scarcity of supplies compels us to again intimate the possible necessary alteration of some prices during the currency of this Catalogue.

The state of the market for Groceries and Provisions has been rendered so unsteady that prices of such commodities have been omitted from our lists altogether.

Our stocks of every class of goods will be maintained with all possible diligence, and customers may rely upon obtaining their requirements at the very lowest prices current at the time.

GENERAL INFORMATION FOR OUR CUSTOMERS.

THIS CATALOGUE is issued to assist Customers residing beyond the Metropolitan Radius in selecting the Newest Goods, thereby extending to them all the advantages of a personal visit to our Store.

A Large Staff of Expert Assistants devote the whole of their time to the selection of Goods Ordered by Post, and competent packers are employed in the despatch section. Promptitude and Efficiency are insisted upon by the Mail Order Manager.

SPECIAL NOTICE. Owing to the unsettled state of the Markets and the scarcity of supplies, customers are reminded that the prices quoted herein are subject to alteration without further notice.

OUR TERMS OF BUSINESS are prompt NET CASH; a remittance covering cost of goods should therefore accompany the order to avoid delay.

WHEN ORDERING give full name (not initials only), Postal Address, and state whether Mr., Mrs. or Miss. When residing at a distance from the station or port, give instructions for forwarding. Always mention amount of remittance sent, and do not overlook to state clearly the Size, Colour or other particulars of all Goods required. In cases where the Articles are not shown or priced in our Catalogues or Advertisements, an allowance to cover their cost may be made in the remittance. Any balance left over will be returned with the bills, or placed on credit, as desired.

REMITTANCES may be made by MONEY ORDERS, CHEQUES, BANK DRAFTS or POSTAL NOTES. ALL POSTAL NOTES and MONEY ORDERS should be made payable to FOY & GIBSON Proprietary Ltd., COLLINGWOOD P.O. For amounts not exceeding 2/6, STAMPS in sheets may be sent. Loose stamps, or stamps over 6d. each, we cannot accept. Letters containing money or other valuables should always be registered, as it is the only means by which security against loss can be achieved. The cost of registration is only 3d.

PACKING.—All Goods for despatch are packed carefully in our regular way, to meet the requirements of travel, and are delivered in good condition to the Railway Sheds, or the Wharves, AT WHICH POINT OUR RESPONSIBILITY OF ALL KINDS ENDS. Goods of a heavy or breakable nature which the Railways will not accept for despatch, except at owner's risk, and are packed by us to avoid damage. We make an extra charge to cover cost of same. Special Packaging or export will be an extra charge.

WHEN RECEIVING GOODS Customers should satisfy themselves that they are in good order before signing the railway receipt book. In instances where damage, etc., is suspected, the packages should be examined in the presence of the Railway officials.

RETURNS.—We are quite willing to exchange any goods not deemed satisfactory, if returned to us Carriage Paid within Seven Days. Millinery, Garments made specially, and Materials cut from the piece are exceptions to this undertaking.

WHEN RETURNING GOODS always write the Name and Address of the sender on the outside of the Parcel. Address: "FOY & GIBSON PROPRIETARY LIMITED, MELBOURNE." When addressed to Collingwood, they are frequently delayed. Our Motor Cabs are at the Melbourne Terminus every day.

Customers are informed that the Railways will not be responsible for loss, delay, or damage, on any class of goods consigned or addressed to SIDINGS and must be CARRIAGE PAID.

Also at all stations where a lady is in charge, all goods must be carriage paid, and we request our customers to add an amount to cover freight when remitting, any excess will be refunded.

Directions for Washing
Foy & Gibson's Natural Wool Underwear.

Into two Gallons of Warm (not hot)
Soap Water put one Tablespoonful of
Cloudy Ammonia. This will remove all
Grease and Perspiration without rubbing.
After lightly wringing, pass through two
separate quantities of Lukewarm Water.
Dry at once in the open air. When nearly
dry stretch out to full size and iron.

Notes:—1. Don't use Hot Water.
2. Don't Rub; Rubbing causes Felting.
3. Don't allow Garments to lie about wet.

FOY & GIBSON PTY. LTD., SMITH ST., COLLINGWOOD AND FITZROY
Manufactured entirely in our "Gibsonia" Mills in Collingwood.

The "GIBSONIA" FLANNELS are made under the same careful supervision and by the same expert workers as the Blankets, and in their case also all the processes are done in our own Mills. Our Flannels are all wool; we sell none with any mixture of cotton. In past years, some people used to prefer Flannels with a mixture of Cotton, as they thought they were smoother to the skin, but "Gibsonia" All-Wool Flannels are very smooth and beautifully finished, and they are suitable for the most delicate skin, and they are splendid wearing. We have 12 different grades of Flannel, as listed below—providing for every possible want, and patterns and prices will be sent when desired. It will be of assistance to us if you will mention the kind of Flannel you desire when ordering.

"GIBSONIA" BLANKETS.

"GIBSONIA" BLANKETS are made entirely in the "Gibsonia" Mills, founded by Mr. William Gibson, one of the pioneers in this great industry. Every process that goes to the making of Blankets is done in our own mills. We begin with the wool as it comes from the sheep's back, buying the finest and most suitable Wools grown in Australia, and the sorting, scouring, carding, spinning and finishing are done entirely in our mills by a great staff of expert workers, under the close and continued supervision of expert foremen and forewomen, managers and superintendents, and as a result of their united labors, the "Gibsonia" Blankets are the finest made in any part of the world. This is a big claim, but it is justified.

Owing to the increased number of carpets manufactured for this department, we find it impossible to enumerate them all. We therefore desire to bring before our customers some of the most important. Where a visit is not possible, the arrangements as to patterns has been found a great convenience, as by quoting the numbers on samples and enclosing measurements of room, orders can be executed.

**CARPET SQUARES.**

The convenience with which Carpet Squares can be laid in a room.

They require no fitting, and being easy for removal when required to be beaten or cleaned has greatly led to their popularity as a floor covering. We carry a large stock specially imported from the best manufacturers.

THE WEAVE.
The "DIXIE" represents the ideal in Grass Rugs. Only well-seasoned, selected grass, of long and tough fibre, is used, and this is twisted into a grass yarn of extraordinary durability.

THE FINISH.
Although sturdy and strong, the "DIXIE" Rug has a smooth finish, which is one of its most desirable characteristics. The surface has a fine even appearance not found in rugs of this character.

DEPTH OF COLORINGS.
The colors are of such a nature that they permeate deeply into the grass yarn when applied, a fact that adds greatly to the life of the pattern and colorings.

JAPANESE BEDSIDE RUG.

NO BINDER THREADS NEEDED.
No diagonal binder threads are needed to hold it together, as in the case of ordinary rugs made of twisted grass.

Rugs are bound on all sides, but not fringed.
All sizes are seamless.

GENERAL APPEARANCE.
In appearance the "DIXIE" Rug leaves absolutely nothing to be desired. Of all the grass rugs on the market there is none that excels the "DIXIE" in the beauty of pattern, the clean centres, the smoothness of finish, attractiveness of the colors, and the excellence of the grass used.

COMPARISON INVITED.
Compare them side by side with any other rug of the same kind, and observe how the "DIXIE" outstrips them all.

13005—Household Ball-Bearing Clothes Mangle.

Latest improvement in Clothes Ironing. Has Anti-Friction Ball Bearings same as used in bicycles. If you have not seen one, ask for it. Rollers 24 x 3½ inches. Articles can be mangled in a considerably shorter time than it takes to finish them with flat iron; and as no heat is required a mangle will soon pay its cost in the saving of labor and fuel. Price

CAST IRON COPPER FRAMES.

Are a special boon to Dairymen and Farmers by reason of their portability and general usefulness. It is the most economical to buy, as it costs less than a brick furnace, and wears longer. It is the most economical to use being constructed on scientific and up-to-date principles. No st of the heat is wasted, consequently this furnace uses less firing and boils water in less time than any other frame made. It is constant action to burn either wood or coal, and by use of the patent drop door in front, firewood up to 2 ft. long may be used. It is made of extra heavy cast iron. No. 13008
