THIS CATALOGUE is issued to assist Customers residing beyond the Metropolitan Radius in selecting the Newest Goods, thereby extending to them all the advantages of a personal visit to our Store.

A Large Staff of Expert Assistants devote the whole of their time to the selection of Goods Ordered by Post, and competent packers are employed in the despatch section. Promptitude and Efficiency are insisted upon by the Mail Order Manager.

SPECIAL NOTICE.

Owing to the unsettled state of the Markets and the scarcity of supplies, customers are reminded that the prices quoted herein are subject to alteration without further notice.

Our stocks of every class of goods will be maintained with all possible diligence, and Customers may rely upon obtaining their requirements at the very lowest prices current at the time.

PURCHASE CARDS.

For the convenience of Customers personally patronising our Warehouses, we have designed special Purchase Cards.

These Cards enable Customers buying in more sections than one, to save time and trouble entailed in paying at each department, BY MAKING ONE PAYMENT FOR ALL GOODS AT THE CARD OFFICE. Delivery in one lot is thus ensured.

Ask for a Purchase Card—they are obtainable at the Card Office, near the entrance to each Warehouse.

MILLINERY.

Millinery is not included in this Catalogue. To show the latest styles in Ladies’ and Children’s Wear we are issuing separate leaflets at frequent intervals. These show the Newest Styles in Ladies’ Trimmed, Ready-to-Wear, and Untrimmed Hats. Illustrated folders of Children’s and Maids’ Ready-to-Wear, Trimmed and Untrimmed Millinery are also issued and will be sent on request when ready.

GENERAL INFORMATION

OUR TERMS OF BUSINESS are prompt NET CASH; a remittance covering cost of goods should therefore accompany the order to avoid delay.

WHEN ORDERING give full name (not initials only). Postal Address, and state whether Mr., Mrs. or Miss. When residing at a distance from the station or port, give instructions for forwarding. Always mention amount of remittance sent, and do not overlook to state clearly the Size, Colour or other particulars of all Goods required. In cases where the Articles needed are not shown or priced in our Catalogues or Advertisements, an allowance to cover their cost may be made in the remittance. Any balance left over will be returned with the bills, or placed on credit, as desired.

REMITTANCES may be made by MONEY ORDERS, CHEQUES, BANK DRAFTS or POSTAL NOTES. ALL POSTAL NOTES and MONEY ORDERS should be made payable to FOY & GIBSON Proprietary Ltd., COLLINGWOOD P.O. For amounts not exceeding 2/6, STAMPS in sheets may be sent. Loose stamps, or stamps over 6d. each, we cannot accept. Letters containing money or other valuables should always be registered, as it is the only means by which security against loss can be achieved. The cost of registration is only 3d.

CARRIAGE CHARGES—We do not pay carriage. Comparison of our Values will at once convince all that it is false economy to pay higher prices which include carriage rates. OUR PRICES ARE ALL NET. Postage should therefore be included with the order, or carriage when it is to be prepaid. Customers should include carriage on all goods for despatch by passenger train, otherwise the Railway Commissioners charge 25% over and above the ordinary rates. Packages under 1lb. weight will only be accepted by the railway authorities for dispatch by passenger train. Very small parcels often go cheaper by post. By this means we are frequently able to save our customers needless expense. Customers omitting to include postage leave us no alternative but to send by rail.

PACKING.—All Goods for despatch are packed carefully in our regular way, to meet the requirements of travel, and are delivered in good condition to the Railway Sheds, or the Wharves, AT WHICH POINT OUR RESPONSIBILITY OF EVERY KIND CEASES. Goods of a heavy or breakable nature which the Railways will not accept for despatch, except at owner's risk, are packed by us to avoid damage. We make an extra charge to cover cost of same. Special Packing for export will be an extra charge.

WHEN RECEIVING GOODS Customers should satisfy themselves that they are in good order before signing the railway receipt book. In instances where damage, etc., is suspected, the packages should be examined in the presence of the Railway officials.

RETURNS.—We are quite willing to exchange any goods not deemed satisfactory, if returned to us Carriage Paid within Seven Days. Millinery, Garments made specially, and Materials cut from the piece are exceptions to this undertaking.

WHEN RETURNING GOODS always write the Name and Address of the sender on the outside of the Parcel. Address: "FOY & GIBSON PROPRIETARY LIMITED, MELBOURNE." When addressed to Collingwood, they are frequently delayed. Our Motor Cars are at the Melbourne Termini every day.

Customers are informed that the Railways will not be responsible for loss, delay, or damage, on any class of goods consigned or addressed to SIDINGS and must be CARRIAGE PAID. Please address and take delivery at nearest station in future. Also at all stations where a lady is in charge, all goods must be carriage paid, and we request our customers to add an amount to cover freight when remitting, any excess will be refunded.

"GIBSONIA" FLANNELS.

Manufactured entirely in our "Gibsonia" Mills in Collingwood.

The "GIBSONIA" FLANNELS are made under the same careful supervision and by the same expert workers as the Blankets, and in their case also all the processes are done in our own Mills. Our Flannels are all wool; we sell none with any mixture of cotton. In past years, some people used to prefer Flannels with a mixture of Cotton, as they thought they were smoother to the skin, but "Gibsonia" All-Wool Flannels are very smooth and beautifully finished, and they are suitable for the most delicate skin, and they are splendid wearing. We have 12 different grades of Flannel, as listed below—providing for every possible want, and patterns and prices will be sent when desired. It will be of assistance to us if you will mention the kind of Flannel you desire when ordering.

"Gibsonia" Blankets, Rugs, and Quilts.

"Gibsonia" Blankets are made entirely in the "Gibsonia" Mills, founded by the late Mr. William Gibson, one of the pioneers in this great industry. Every process that goes to the making of Blankets is done in our own mills. We begin with the wool as it comes from the sheep's back, buying the finest and most suitable Wools grown in Australia, and the sorting, scouring, carding, spinning and finishing are done entirely in our mills by a great staff of expert workers, under the close and continued supervision of expert foremen and forewomen, managers and superintendents, and as a result of their united labors, the "Gibsonia" Blankets are the finest made in any part of the world. This is a big claim, but it is justified.
