The **“GIBSONIA” FLANNELS** are made under the same careful supervision and by the same expert workers as the Blankets, and in their case also all the processes are done in our own Mills. Our Flannels are all wool; we sell none with any mixture of cotton. In past years, some people used to prefer Flannels with a mixture of Cotton, as they thought they were smoother to the skin, but “Gibsonia” All-Wool Flannels are very smooth and beautifully finished, they are suitable for the most delicate skin, and are splendid wearing. We have 13 different grades of Flannel, as listed below—providing for every possible want, and patterns and prices will be sent when desired.

It will be of assistance to us if you will mention the kind of Flannel you desire when ordering.
