GENERAL INFORMATION FOR OUR CUSTOMERS.

THIS CATALOGUE is now issued to assist Customers residing beyond the Metropolitan Radius in selecting the Newest Goods, thereby extending to them all the advantages of a personal visit to our Store.

A large Staff of Expert Assistants devote the whole of their time to the selection of Goods Ordered by Post, and competent packers are employed in the Despatch Section. Promptitude and Efficiency are insisted upon by the Mail Order Manager.

Owing to the unsettled state of the Markets and the scarcity of Supplies, Customers are reminded that the prices quoted herein are subject to alteration without further notice.

OUR TERMS OF BUSINESS are prompt NET CASH; a remittance covering cost of goods should therefore accompany the order to avoid delay.

WHEN ORDERING give full name (not initials only), Postal Address, and state whether Mr., Mrs. or Miss. When residing at a distance from the station or port, give instructions for forwarding. Always mention amount of remittance sent, and do not overlook to state clearly the Size, Colour, or other particulars of all Goods required. In cases where the Articles needed are not shown or priced in our Catalogues or Advertisements, an allowance to cover their cost may be made in the remittance. Any balance left over will be returned with the bills, or placed on credit, as desired.

REMITTANCES may be made by MONEY ORDERS, CHEQUES, BANK DRAFTS or POSTAL NOTES. ALL POSTAL NOTES and MONEY ORDERS should be made payable to FOY & GIBSON Proprietary Ltd., HAY STREET, PERTH. For amounts not exceeding 2/6, STAMPS in sheets may be sent. Loose stamps, or stamps over 6d. each, we cannot accept. Letters containing money or other valuables should always be registered, as it is the only means by which security against loss can be achieved. The cost of registration is only 3d.

**Value Payable Parcel Post or Rail**

**OUR COUNTRY CUSTOMERS** can avail themselves of this method of shopping, by paying for their GOODS on
Delivery at a very slight increase of cost, which has proved a source of satisfaction to many of our Customers.

**FOY & GIBSON Pty. Ltd.**

**Shipping Information**

1. If your order is not large enough to justify a Bill of Lading, look over the Catalogue to see if there are
not other articles of household necessity that you may
well include. Or perhaps some of your neighbours
would be glad to join you in ordering, and thus save the ex-
spenses of an agent. We will be glad to pack the goods
separately and show each one's proportion of all ex-
spenses.

2. Tell us whether in case any articles are tempor-
arily out of stock, or no longer procurable, we may omit,
substitute or hold for complete shipment. If you say
nothing we will use our best judgment and decide as we
think you would decide if you knew the situation.

3. Always tell us how you wish the goods shipped
and send enough money to pay postage if goods are to
be by mail. If you wish them registered and insured,
be sure to say so, and allow for this additional charge.

4. If you do not reside at a port to which we cal-
we have a branch, we can still get your articles
by making one payment for all goods at the Card Office. Delivery in one lot is thus assured.

**Purchase Cards**

For the convenience of Customers personally patronising our Warehouses, we provide special Purchase Cards.

These Cards enable Customers buying in more sections than one, to save time and trouble entailed in paying at each
department, by Making One Payment for all Goods at the Card Office. Delivery in one lot is thus assured.

Ask for a Purchase Card—they are obtainable in every Department.

**WE PAY FREIGHT ON DRAPERY IN WESTERN AUSTRALIA.**
A Few Helpful Suggestions

1. Use an Order Blank if you have one; if not, any sheet of paper will do. Use one side only. Address all letters to the Company.

2. Be sure to give article number, quantity, name, size, colour, price; foot up the order and SAY HOW MUCH MONEY YOU ENCLOSE.

3. Avoid flourishes and fancy signatures. Write your name and address perfectly plain, and always sign your name the same. All our records are filed alphabetically, and a change or mistake in a single letter may cause delay in locating transactions.

4. Read carefully the Catalogue description of each article ordered, and be sure to state size, colour, or other information required.

5. Please do not ask us to send articles for which you allow no money. If you do not know the price, allow what you think would suffice; if too much, we will refund with invoice.

6. Our Stocks of Dress and other Piece Goods are very large.

Customers writing for Patterns are respectfully requested to state as near as possible the class and character of the goods they require, and thus enable us to send the most suitable selection of patterns. Unless we have some indication as to the customer's requirements we are liable to send unsuitable patterns, and Waste of Patterns and Delay are thus occasioned. Our Dress and other Stocks sell very rapidly. Customers, when ordering, should make a first and second choice as indicated on Pattern Ticket.

7. When, through unavoidable causes, we cannot supply an article called for, we use our best judgment in solving the difficulty, taking all the circumstances into consideration, striving to inconvenience you as little as possible, and to satisfy you even at a loss to ourselves. We never substitute a cheaper article, but always send equal or better value.

8. When making out orders it is advisable to leave the margin blank—using one line for each article, if possible; this will facilitate checking and mistakes will be avoided.

9. If there are local conditions that make any special invoicing, weight of boxes, or kind of packing necessary, please favour us with as clear instructions as possible and repeat them with each order. We have too many customers and too many clerks to remember standing instructions. Our best packers work on Country Orders, but special requirements should be always repeated; the packer then has no excuse for not following them, and we wish you to inform us if he does not.

10. State explicitly how goods are to be forwarded.

YOUR ORDER IS VALUED AND HAS OUR BEST ATTENTION UNTIL IT IS PROPERLY EXECUTED.
