Kleinert's BRASSIERETTES.

SHIRLASTIC BRASSIERETTE—Cut low enough for decolette. Embodies no superfluous material in itself—just a pair of shields, shoulder straps and elastic grip. It claps the body snugly and surely, and cannot become misplaced; gives perfect protection, and being lightly and daintily made is ideal for wear with any flimsy dress which may make a sew-on shield just a little too obtrusive. Sizes: 2, 3, 4. Price, 5/11.

BRASSIERETTE—Just slips over the head without fastenings, and has not an inch of superfluous material. Sports girls are particularly keen on the shield. The net front serves as an admirable bust support, and the shirred elastic back just comfortably grips the figure. Made in three different arm-play lengths. Sizes: 3, 4, 5. In Flesh and White. Silk and Nain. Price, 8/11; double nainsook, 7/6.

New Carpets and Linoleums of Latest Designs.

Many might think a store is most successful when it makes the most profit. But those who are wise and experienced know a store's greatest triumph is when it is able to give most to its customers.

This store has excelled in value for three generations; as long as it continues to do so, it will probably do the largest business. When it ceases to give most it doesn't deserve to be first.

We are continuing our practice of providing the greatest values, as a glance through this section of our Catalogue will readily testify.
