No. 83
CATALOGUE NO. 83

Showing some of the goods we sell.

This catalogue is intended to enable country customers to select goods almost as well as if they came in person to buy.

This catalogue shows a fine variety of goods, but we sell many more. For articles not shown, we will be pleased to send prices and information.

Prices in the catalogue are those current when printed, and are subject to alteration.

Information for Country Customers

All country orders are attended to by an experienced staff, who choose the best goods on behalf of customers, and send them off promptly.

Name and number of article should be given when ordering, also all particulars necessary to send correct goods; when ordering materials, give color and width; when ordering garments, give measurements required, and when ordering boots and shoes, state sizes.

When goods are ordered, prices of which are not shown in catalogue or advertisement, an amount should be added to the remittance. Any balance will be refunded with the letters.

Customers who wish to get goods advertised, should send order immediately, as goods advertised sell out quickly. When goods are ordered from advertisement, full advertised number should be given.

Approval.—We do not send goods on approval.

Exchange of Goods.—We endeavour to send the right goods to all. That is largely dependent on customers sending complete information as to what they require. On any occasion when exchange is desired, parcel should be sent, carriage paid, to FOY AND GIBSON PTY. LTD., SPENCER STREET, MELBOURNE, or BIG STORE, PRAHRAN. Goods sent to us should have the sender's name clearly marked on parcel. Garments specially made, materials cut off, and millinery are not exchangeable.

Packing and Delivery.—All goods for country customers are packed carefully, free of charge, in our regular way, to meet the requirements of rail or road travel. We deliver packages safely to railway sheds, at the wharves or to country carriers, and our responsibility then ceases.

Rail Transit or Post.—We recommend rail transit wherever possible, as the Railways take responsibility for delivery, whereas the Post Office do not.

For places in New South Wales or South Australia, we allow freight on parcels to the border. On parcels sent by post to other States, we pay Victorian postage and charge only the interstate extra postage.

Receiving Goods.—Customers should satisfy themselves that packages are in good order before signing railway receipt book at their end. If damage is suspected, we recommend customers to open the package in the presence of the station master.

Breakable Goods—Glass, Chinaware, etc.—The railways charge extra freight, otherwise they will not be responsible. Customers when ordering such goods, please say whether they desire extra rate to be paid, otherwise they take full responsibility themselves.

Low Prices for Good Quality Articles.—Our business is based on the lowest possible prices for goods of reliable quality. People who order from us get the highest possible value, honourable dealing, and reliable goods.

TERMS OF BUSINESS.

Our terms of business are nett cash, which is one of the reasons why we give such excellent value.

Remittance should be sent with order to cover the goods ordered.

Sending money with order is similar to paying cash at the counter, and enables the business to be completed by two letters, one from customer, sending order and money, and one from us, sending bills and advice of despatch, and any balance there may be.

Remittances can be sent by Money Order, which is the safest method; also by Cheque and Postal Notes. For amounts under 2/6, stamps in sheet may be sent; loose stamps should not be sent.

Letters containing money should be registered for safety; cost is only 3d.

Give full name, not initials only, when ordering, and so prevent accounts being confused with others of the same surname; say whether Mr., Mrs. or Miss. Also give both postal address and railway address.

We pay freight or postage on Drapery goods and Wearing Apparel to places within Victoria. We reserve the choice of sending by post or rail, whichever is cheaper.

Foy and Gibson customers should address all letter orders to Foy and Gibson Pty. Ltd., Smith Street, Collingwood, N.S.W.

Customers who are still desirous of transacting business with the Big Store, Prahran, should address all letter orders to the Big Store, Chapel Street, Prahran, S.1.
